YEARLY STRATEGIC PLAN

Academic Year 2020-21

The Pandemic will not stint our spirit as PCER will continue to provide value to all

Goals	Main Focus Area for the Year
Goal 1 - Enhance Teaching & Learning	Focus on monthly year plans as per the academic calendar All teachers to upgrade their e-skills by attending training/ webinars/ seminars All teachers to use technology for teaching and dissemination of knowledge Create an online Add-on Course during the Pandemic
Goal 2 - Strengthen Training & Placements	Strengthen student-teacher's ability to teach in an online environment Ensure 100% Internship opportunities for all student-teachers Stick to our commitment of 100% placement by collaborating Invite industry experts to provide training by initiating an Expert Lecture Series Promoting skill based Coursera courses among the student-teachers
Goal 3 - Research Initiatives	Pursue the initiative of starting Ph.D. Centre Collaborate with other state colleges and Universities for conducting webinars and training programmes Promote research by faculty as a regular part of their teaching-learning process Promote publication of articles in peer reviewed, indexed research journals under listed with UGC Care list, Scopus etc.
Goal 4 - Integrating Technology in the Classroom	G-Suite to become an integral part of the learning ecosystem will all students to have access via their MES email id Creating a Digital Library Create an e-learning portal tab on the website for all students Initiate PCER Chembur's own e-LMS for providing add-on and value-added courses Start PCER Chembur's Youtube channel to promote e-learning Enhance PCER Chembur's Facebook and Instagram presence
Goal 5 - Strengthening Alumni Engagement	Enhance the Learning- Q-est programme by making it a monthly initiative Promote Alumni Awards online Promote the concept of Teacher Assistants as a means of resource development and alumni interactions Enhance alumni publications in the form of book publications

Goal 6 - Community Outreach	Promoting a VENTEL outlook by providing vocational training to all Reaching out to the less privileged by providing online educational resources Promoting donation drives for those hit by the Pandemic Promote Counselling for students as well as outsiders through PCER's Counselling Cell
Goal 7 - Establishing a Eco-friendly Campus	Opt for a paperless environment by promoting e-submissions Enhance e-transactions for curricular as well as co-curricular activities
