REPORT OF PROFESSIONAL DEVELOPMENT PROGRAMME**

2017-18

Faculty Development Programme

A faculty development programme on 'Human Rights for Humaneness' was conducted from 1st November 2017 – 17th November 2017. The main objectives of the training program were to promote an understanding of universality of human rights, international instruments, their principles and methodologies for human rights education.

The Training program was divided into 4 sessions which included-

- Introduction to Human Rights
- Human Rights Institutions in India
- Rights of Women and Children
- Rights of Other Vulnerable Groups

Computer Literacy Programme

PCER conducted a computer literacy programme for the benefit of the support staff to enable them to upgrade their digital skills. Computer Literacy has become a basic necessity in today's world. Whether you are young or old, it is imperative to know the basic functioning of computer. The support staff of our college works in tandem with the other staff for imparting quality education among our student teachers. But as technological knowledge is constantly being upgraded it was felt that the support staff needed to enhance their skills in this regard. So the college staff took an initiative start with regular sessions with the support staff. The first few sessions were mainly theoretical because it is important that they feel the urge to learn.

The objectives of the programme includes:

- To orient support staff about the importance of computer literacy
- To give hands on experience of computer literacy
- To drill basic concepts of computer among our support staff

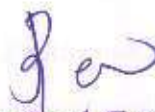

List of Participants:

Faculty Development Programme on Online Teaching and Learning

MES's PCER organised a Faculty Development Program on "Online Teaching and Learning" for Ponda Education Society's College of Education, Farmagudi, Ponda. The online session was conducted from 22nd to 29th May, 2020. The sessions were conducted everyday from 10:30 a.m. to 11:30 a.m. The program majorly focused on various Google tools which are required to conduct an online teaching learning process. The various topics covered included Google classroom, how to prepare google slide, docs and other tools and also how to conduct evaluation using google tools.

Training Programme to promote awareness of health and hygiene

PCER conducted a session for the support staff on the topic of Health and Hygiene. The session for the women support staff focused on personal hygiene and grooming as very important factors for their health and developing positive personality. The necessity of having appropriate daily body hygiene and maintaining a balanced healthy diet was emphasized. They were made aware of the importance of washing their hands when they are moving from one task to another. They were asked to reflect on their daily practices and habits and try to maintain a positive attitude towards life. They were advised to go for regular health check-ups.

Grooming is an essential aspect at the workplace and hence they were oriented about the necessity of wearing clean clothes and to come aptly dressed when they come for work. They were also advised to keep a spare set of clothes and use aprons. They were also informed that it is imperative to maintain cleanliness while handling and serving food. They were oriented regarding the basic etiquettes to be observed during dining and hospitality.

Training Programme to develop digital literacy

MES's PCER conducted a training programme to develop digital skills among the staff. The programme "Online Teaching and Learning" was conducted in association with Ponda Education Society's College of Education, Farmagudi, Ponda. REPORT OF PROFESSIONAL DEVELOPMENT PROGRAMME**

and the viewers. Dr Reni Francis introduced the webinar theme Take a Stand, Raise Awareness. The webinar was inaugurated by Dr. Dilip S. Patil, Hon. Director, Department of Lifelong Learning and Extension. Dr. Patil spoke about the importance of girls' education to improve their social status. The main speakers for the session were Dr. Vivek Chincholkar, Associate Professor, Department of Psychiatry, Kalwa Hospital, Thane and Adv. Ms. Neesha George, Fiscal Officer, Joint Warfare Centre, Norway.

Expert talk titled 'Your Courage – Your Asset'

PCER Chembur organized an expert talk titled 'Your Courage – Your Asset' by Ms. Meenakshi Mukherjee, a legal consultant and PoSH (Prevention of Sexual Harassment) enabler who spoke about 'PoSH and the Legal Rights of Teachers. The event was in line with **SDG #5: Gender Equality**. The discussion started with Ms. Meenakshi speaking about the importance of the day as well as the need for justice. She also spoke about the history of the PoSH Act in India as the workplace is one of the main areas where justice is required. Teachers, therefore, needed to be aware about what constitutes harassment, whether sexual or not and in case the harassment is sexual in nature, what is the legal recourse available to them.

National Level Live Webinar -NEP 2020- Vision for a Prospective Nation

A National Level Live Webinar titled 'NEP 2020- Vision for a Prospective Nation' was organised by Center of Education, Indian Institute of Teacher Education, Gandhinagar in collaboration with MES's PCER, Chembur on 8th September, 2020. The programme was in alignment with Sustainable Goal 4: Quality Education. Dr. Reni Francis, Principal, PCER, Chembur, Mumbai, addressed and welcomed all the audience with a meaningful message on how NEP 2020 would bring a revolution in the field of education. There were five eminent speakers touching on different aspects of NEP-2020. The first speaker, Dr. Kalpesh H Pathak, Principal & Director, Center of Education, IITE, Gandhinagar, Gujarat highlighted his perspectives of NEP-2020 from the point of teacher education. The second speaker, Dr. Asawari Bhawe, Dean-Faculty of Humanities & Social Sciences, Head-School of Education & Research as well as PhD Chief Coordinator, Research Cell, MIT Art, Design & Technology University, Pune, spoke on how NEP 2020 will transform higher education. The biggest highlights of the NEP 2020 are, 1) A single regulator for higher education institutions, 2) Multiple entry and exit options in degree courses, 3) Discontinuation of M.Phil. programmes, 4) Low stakes board exams and 5) Common entrance exams for universities. Mr. Mahesh Jain, Grade Lead at The Somaiya School, Mumbai stressed on reforms the NEP has brought upon Primary and Secondary level of education which includes The 5+3+3+4 system, teaching up to class five in mother tongue or regional language, lowering the stakes of board exams etc.

cancer is the second leading cause of death globally. In 2018, approximately 18 million cases were there globally, of which, 1.5 million were in India alone. In view of these alarming signs, PCER Chembur organised an Expert Talk on National Cancer Awareness Day. The Resource person for the session was Shaini Joy Doctorate in Nursing Practice, Oncology and works as a practitioner at MD Anderson Cancer Center which is ranked No. 1 in cancer care in U.S. News & World Report's annual "Best Hospitals" survey. The session highlighted aspects of Cancer such as the meaning, risk factors, myths of cancer, common cancers in India, the statistics of the alarming growth of Cancer, Cancer screening and protections, reducing the risk of cancer through early detection and treatment. As an early detection of Cancer, Screening is the most important aspect that can help in saving one's life. The Cancers that can be screened are Breast, Cervical, Colorectal. As a prevention measure for Cancer it is important to exercise, eat a healthy and balanced diet, quit smoking, reduce alcohol intake etc. The session was highly informative and well appreciated by the viewers.

Expert Talk session on Aids Awareness

An Expert Talk session on Aids Awareness by Dr. Milind Ruke was organised by MES's Pillai College of Education and Research, Chembur on the 1st December, 2020. The event was streamed live on PCER Chembur's YouTube channel. Dr. Ruke is a diabetic foot specialist and a general surgeon from Ashirwaad Hospital, Chembur, who has more than 30 years of experience in the medical field. He spoke to all teachers and students about the nitty-gritties of the human immune system and how one is affected by the human immunodeficiency virus (HIV) and acquires immuno-deficiency syndrome or AIDS. He also destroyed some myths about patients with AIDS and elaborated the caution and care to be taken by all. He reiterated that AIDS is a disease which is not inevitable and with some knowledge and a few precautions, it can be avoided by all.

Webinar on World Population Day "Rise for a Better Living"

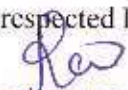

A webinar on World Population Day with the theme "Rise for a Better Living" was organised by Women Development Cell (WDC), University of Mumbai in collaboration with MES's Pillai College of Education and Research, Chembur on 11th July at 4:30 p.m. The objective behind this webinar was to spread awareness of global population issues. The webinar aimed to increase people's awareness on various population issues such as the importance of family planning, gender equality, poverty, maternal health and human rights. Keeping in mind this aim, two eminent speakers were invited to deliver a talk. Dr. Aparna Phadke, Assistant Professor at the Department of Geography, University of Mumbai, gave a talk on the topic "Gender Empowerment and Population Change" and Ms. Chaitali Wadhwa, Faculty of Law at Manav Rachna University spoke on the topic "Public and Private Dichotomy and the Gendered Division of Labor". The celebration of World Population Day through the webinar could also helped to raise awareness about how overpopulation can harm ecosystems and hamper progress of humanity.

Online Workshop on 'Filing of Income Tax Returns'

The IQAC Cell of PCER Chembur, in collaboration with Mahatma Night Degree College of Arts & Commerce organised an Online Workshop on the topic 'Filing of Income Tax Returns' from 11:00 am to 1:00 pm on the 31st of August, 2021. This hands-on workshop was open for all the faculty members of MES's Chembur Campus. Many of us outsource the filing of our income tax returns to chartered accountants or other professionals because of a common fear of not filling government forms. Now, with the filing of returns becoming online, the process has become much simplified and no educated person should shy away from it. The Resource Person for the Workshop was Dr. Eknath Zherekar, Principal of MNDC College who took up this seemingly complicated topic and explained it in an extremely simplified manner.

Expert Talk session – Nurturing culture of excellence: IPR Perspective

PCER, Chembur organised an expert session on the topic Nurturing culture of excellence: IPR perspective. The inspiring session was conducted by Prof. (Dr.) B. K. Sarkar. The session was attended by all the teachers of Mahatma education Society's Chembur Campus on 21st September, 2021. The principal of PCER, Chembur, Dr. Reni Francis introduced the guest and also shared her experience of registering for the patents. Dr. Sarkar explained the concept of patent, its types i. e. design and utility and the process of registering for the patents. The inaugural address by the chairman and CEO of MES respected Dr. K. M. Vasudevan Pillai and

Expert talk session on Cancer awareness

MES's Pillai College of Education and Research, Chembur and Mahatma Junior College, Chembur in collaboration with Soroptimist Welfare Association (SIBC) conducted on 4th February 2022 an expert talk on 'World Cancer Day, Focus – Breast and Cervical Cancer'. The aim was to inform and encourage people on its prevention, early detection, and treatment. Keeping in mind this aim, an eminent speaker Dr. Jay Anam, a Consultant Surgical Oncologist at Saifee Hospital, HN Reliance Hospital, Nanavati Hospital and an Honorary Visiting Surgical Oncologist at K.J Somaiya Medical College was invited to deliver a talk. The talk focused on Breast and Cervical Cancer in raising the awareness about early detection, prevention and care including surgical options for treatment of cancer. This event was aligned with SDG 3, Good Health and Well-being.

Expert talk session on issue of Waste Management

PCER organised an expert talk session by Mrs Sindhu Iyer, Project Coordinator of Stree Mukti Sangathana (NGO) on 21st February. She spoke on the issue of waste management- the current situation, what can be done to dispose of waste more responsibly, and the work done by Stree Mukti Sangathana. Rapid technological advancements, economic expansion, urbanization processes, rising demand for consumer electronic equipment, and a lower pricing trend are just a few of the elements that have contributed to the unprecedented growth of E-waste globally over the last two decades. Currently, e-waste is disposed of with solid waste. It poses a greater risk of environmental damage, and the consequences are far bigger than previously thought. Mrs. Iyer shed light on the correct method of disposing of electronic waste to reduce the negative consequences for the environment as well as the hazardous health issues that unorganized sector of waste segregation workers suffer from on account of handling these toxic materials.

Dr. Reni Francis

Expert talk on 'Integrated Approach in Atomic Energy for Sustainable Future'
