

Mahatma Education Society's
Pillai College of Education and Research
Chembur Naka
Chembur, Mumbai-71
ANNUAL REPORT
Academic Year 2022-23

VISION

To create opportunities for value-based transactions and empower student-teachers to tackle professional and global issues through collaborations in a techno-savvy era.

MISSION

To promote academic excellence and create humane, self-reliant teachers to meet the local and global challenges of the society and nation.

Mahatma Education Society's Pillai College of Education and Research, Chembur established in the year 1990 completed another successful academic year and achieved a major milestone being accredited with A Grade, CGPA 3.13 in the 4th cycle of NAAC. During the year through its various initiatives, activities, collaborations and innovative practices the institution continues to set standards of quality in the field of education. The Management, Principal, staff and students of the institution worked in great coordination focusing on the vision, mission, values of the institution and upholding quality transactions. The institutional activities were streamlined towards incorporating the Sustainable Development Goals. The following activities were conducted by PCER in the academic year 2022-23-

ASSEMBLY

Objective: To inculcate values and develop cultural awareness of student teachers.

PCER believes in aligning its curriculum transactions with human values. The assembly is one important activity that focuses on developing positive thoughts among the students. The day begins with the assembly that includes prayer, followed by discussion on the thought for the day and the news headlines. The assembly activities include skits, songs, moral stories, sharing personal experiences and discussion on various issues. Special assembly programmes are conducted for festivals and days of national and international importance such as Independence Day, Republic Day, Gandhi Jayanti, Teacher's Day, Guru Purnima, World Environment Day, National Youth Day, National Girl Child Day, World Human Rights Day, World Water Day National Tourism Day etc. The students speak on the importance of the day and present various activities related to it. It also serves as a platform for the student teachers to develop their confidence, general awareness, creativity, communication skills, team spirit etc.

CO-CURRICULAR ACTIVITIES:

Objective: To enhance the confidence, intellectual and creative talents of the student teachers.

An array of cocurricular activities are organized by the institution as it believes in the complete development of the individual's personality, these activities help the student teachers in refining their abilities and enhance their confidence, communication, and organizational skills. The student teachers participate individually as well as in groups in various cultural programmes organized on different occasions such as Independence Day, Teacher's Day, World Environment Day, International Yoga Day, Guru Purnima, Onam, Ganesh Chaturthi, Hindi Diwas, Diwali, Gandhi Jayanti, Christmas, Republic Day, Marathi Bhasha Diwas, International Literacy Day, International Mother Language Day, World Water Day, , World Kindness Day, International Women's Day.

Students also participated enthusiastically in several other cultural and literary events conducted by the college such as Essay Writing Competition, Elocution Competition, Poster Competition, Slogan Competition, Quiz Competition, Online Yoga Competition, Poetry Recitation Competition, Learning Resource Exhibition, Book Campaign, Food Festival, Photography Contest, Student Teacher Action research seminar. In commemoration of 75 years of Independence, PCER Chembur, organized a week (8th August to 13th August, 2022) of competitions with the theme 'Har Ghar Tiranga'. Students participated in various inter collegiate competitions and won prizes. Mr. Sayed Haider participated and won the First Prize in an Intercollegiate Digital Poster Making Competition. Ms. Aditi Talgaonkar from SY B. Ed earned consolation prize in the Intercollegiate Competition on 'Innovations in Interactive Teaching'. Ms. Kalpana Krishnan won the Best Action Research Paper Presentation at the Student Teacher Action Research Seminar organised by MES's Pillai College of Education and Research, Chembur in collaboration with Chembur Sarvankash Shikshanshastra Mahavidyalaya in 29th April, 2023.

The Annual Sports Meet of PCER Chembur was held on 15th December, 2022. Both individual and team games were organised for the students. Mahatma Education Society's Chembur Campus Institutions celebrated their Annual Day on 22nd and 23rd December, 2022. PCER, Chembur celebrated its Annual Day on 23rd December. The theme of PCER's performance was 'Explore Incredible India, Witness Unity in Diversity'.

The students also sharpen their literary and editorial skills as well as technological skills through active involvement in the publication of the college e-newsletter 'Horizon' which highlights the institutional activities and achievements.

ALUMNI RETURNS:

Objective: To utilize the alumni resource for the capacity building activities of the institution.

The PCER alumni are a valuable resource to the institution and through their contribution to the institution strengthen the knowledge and professional skills of the student teachers. During the academic year the alumni organized the following activities:

- Expert talk Session on Innovative Teaching Strategies conducted by Ms. Mahalaxmi Anand on 15th July 2022.
- A session on Personality Development and Communication skills was conducted by Ms. Jyothi Malhotra, PCER Alumna on 18th Nov 2022
- Ms. Sneha Shah conducted a session on Facing an Interview and Career Guidance on 3rd December 2022.
- A session on the topic 'Hands on Science' was conducted on Monday, 27th February by Dr. Farah Shaikh, PCER alumna and Physics teacher of Dr. Pillai Global Academy, Gorai.
- Ms Krupa Talekar D'Mello conducted an interactive session on 'How to be a Teacher in this New Age World' on 11th March 2023.
- An expert talk session on Mathematics was conducted on Pi-day on the theme 'Mathematics is Everywhere' by Mr. Gyanendrapratap Singh the IGCSE Co-ordinator and Head, Department of Mathematics of Dr. Pillai Global Academy, New Panvel on 14th March 2022.
- The alumni contribute to the college newsletter through the 'Alumni Corner'.

PRACTICE TEACHING AND INTERNSHIP:

Objective: To develop the teaching competencies, methodologies and confidence of the student teachers.

The internship period is a very crucial aspect of the B. Ed programme. During this period the student teachers go to schools for their internship activities. This period provides the student teachers with the necessary experience of interacting and practice teaching in schools. Students undergo internship for 18 to 20 weeks during the second, third and fourth semester of this two-year programme. During the internship they observe the lessons of school teachers, peers, conduct lessons in their pedagogies, conduct activities, develop learning resources and participate in all school tasks and activities.

COMMUNITY SERVICE AND EXTENSION ACTIVITIES:

Objective: To inculcate in student teachers the attitude of giving back to society.

To sensitize students towards the needs of the marginalized society

PCER Chembur encourages students to participate in Community service and outreach activities to sensitize them to the needs of the under privileged and various other social issues. The college conducted many activities in association with the Stree Mukti Sanghatana, CMCA and Soroptimists International Bombay Chembur. The students completed their community service at NGOs like:

- Vision Rescue
- Mermier Bal Aashram

- NASEOH
- Hope Foundation
- Ashadeep Association
- A-Wish Foundation of India
- Ankur Pratishthan
- Door Step

The students completed their community service at the above NGOs with great interest. Ms. Preeti Chatterjee from the Vision Rescue appreciated students work and visited the college for signing a MOU as well as Mr. Johnson from the Hope Foundation.

As part of extension activity, PCER organized food festival wherein students set up counters for display and sale of food products. On the occasion of World Food Day and World Tourism Day on 18th October 2022 students set up food stalls in the campus premises representing different regions of the world

COMMUNITY OUTREACH:

Objective: To sensitize the student teaches to social issues and prepare them to be socially responsible citizens

The institution conducted various activities to enable student teachers to understand the various social issues and inculcate in them values and commitment to society. Some of the activities that PCER conducted includes the following:
